

# HOPE FOR HAITI

Dear Parents and Friends of Aspen School,

The Aspen Student Council is working with the Student Council at Middle School South on a fundraiser for Haiti. Our goal is to sell a wristband to every student at both schools. The cost of the wristband at Aspen will be \$1.00 and the money will be donated to the Clinton Bush Haiti Fund. Our fundraiser will run from February 15-23. Won't you please support us in our efforts to help the victims of the earthquake in Haiti?

The wristbands will be red or blue, and have the words Hope For Haiti on them. Your child can bring the detached form and money back to school in an envelope. Please make sure their name and homeroom are written on the envelope. Students can purchase the wristband from their homeroom teacher.

Thank you,  
The Aspen Student Council

**Please fill this form out and put it in an envelope with your money.**

---

Yes, I would like to purchase a wristband for \$1.00.
