

# ASPEN SCHOOL

## AM DROP OFF

Please use the middle lane when entering our campus for dropping off students in the morning. This lane is used ONLY if you are NOT getting out of your car when dropping off your child/children curbside. Once your child is dropped off, please carefully merge into the left lane to exit past Elementary South School.

- **PLEASE BE PATIENT AND DRIVE CAREFULLY.**
- Children should be dropped in the "Drop off Zone" in the front of the building.
- In the Drop-off lane, please continue to move up as far as possible.
- The Drop-off lane is for moving traffic only. If you plan to get out of the car (even for car seat or helping with backpack) please park in the parking lot.
- When using the Drop-off lane, please form a single line adjacent to the curb. Double parking or cutting into line is not allowed as it blocks parking lot traffic and is not safe for our students.
- The use of cell phones is prohibited in school zones. Violators may be ticketed.

## PM STUDENT PICK UP

Afternoon pick up traffic patterns begin at 1:30 p.m. When arriving to pick up your child/children, use the far right lane when entering our campus. Parents are asked to drive behind the building and loop around to get all cars off of Aspen Drive. Your child/children will enter your car once you get to the front of the building. Please review the map provided below for appropriate afternoon pick up patterns.

- **PLEASE BE PATIENT AND DRIVE CAREFULLY.**
- In the Pick-up lane, please continue to move up as far as possible.
- The Pick-up zone is for moving traffic only. If you plan to get out of the car (even for car seat or helping with backpack) please park in the parking lot.
- When using the Pick-up lane, please form a single line adjacent to the curb. Double parking or cutting into line is not allowed as it blocks parking lot traffic and is not safe for our students.
- The use of cell phones is prohibited in school zones. Violators may be ticketed.
